Dear Parents/Carers

While the schools are closed we are giving you our contact information so that you are able to phone us for any advice/support that you need for your child with regards their communication or eating, drinking and swallowing skills.

If there are resources that would support communication or you feel you would like to discuss ways to support communication over the upcoming weeks please don't hesitate to contact us.

Please contact us on 0131 537 7119. If there is no answer, please leave a message and we will get back to you as soon as possible.

Keep well
