

<p style="text-align: center;"><u>Literacy</u></p> <p>Read or listen to a story: Learn about opposites with Spot! https://www.youtube.com/watch?v=eJ4aYoVcJ1s</p> <p>Or try these online stories https://www.youtube.com/watch?v=lv6pMDEiZzM https://www.youtube.com/watch?v=1GLwXMBemHg&feature=youtu.be</p> <p>Sing along with the Opposite song by kidstv123 https://www.youtube.com/watch?v=HGeuA4iJ8vI</p> <p>Learn some opposites with the Learning station! https://www.youtube.com/watch?v=TW40QxUVjiE</p>	<p style="text-align: center;"><u>Hello</u></p> <p style="text-align: center;">Hello St Crispin's Primary Classes 😊 Every week we are going to send out a home learning sheet with some suggested ideas and activities for the week based around a theme.</p> <hr/> <p style="text-align: center;"><u>St Crispin's Primary Classes</u> <u>Home Learning Week beginning</u> <u>Monday 11th May 2020</u></p> <p style="text-align: center;"><u>Theme: Opposites</u></p>		<p style="text-align: center;"><u>Numeracy</u></p> <p>Make a paper boat by folding paper (https://www.easypeasyandfun.com/how-to-make-a-paper-boat/) Drop in pennies and count how many it takes until the boat sinks, make larger or smaller boats or use card and try again!</p> <p>Learn or practice positional language – find a small toy and household items, put the toy in, on, behind, in front, through etc. Check out the song... https://www.youtube.com/watch?v=idJYhjGyWTU&list=PLisGMvEDQqYvdNtbcofKhZrk5FWAAtJUu&index=12</p>
<p style="text-align: center;"><u>Science</u></p> <p>Explore opposite textures - gather different items e.g. rough - sandpaper, scourer, scrunched foil smooth - silky material, slime, shaving foam Feel the different textures and have fun!</p> <p>Discover floating and sinking – get a bowl with water and some items in the home like corks, duplo, sponge, pennies etc. Drop them in and see what happens! Sort them into categories to extend learning...</p> <p>Explore dark and light – switch your light off and use a torch or small lamp to make it light. Go under a thick blanket or duvet to make it dark and cosy, then throw it off and let the light in - peek-a-boo!</p>	<p style="text-align: center;"><u>Challenge</u></p> <p>Find opposite items around the house – big spoon - small spoon, full bottle- empty bottle, dark colour – light colour. What else can you find?</p> <p>Measure the height of everyone in your house – who is tall and who is short?</p>	<p style="text-align: center;"><u>Expressive Arts</u></p> <p>Explore symmetry by painting on one side of a folded sheet of paper, fold down the other half and press down. Look at the same image on the opposite side! http://www.paper-and-glue.com/2016/08/symmetry-squish-painting-process-art.html</p>	<p style="text-align: center;"><u>Health and Wellbeing</u></p> <p>Have some fun with opposites – make yourself big by stretching out in a big star shape, then curl up small. Do big leaps then small jumps. Run fast, then walk slow. What other opposites can you do?</p> <p>Use positional language with your body – get on a sofa, then off. Go upstairs, then down. Stand behind a chair, then in front, then beside! What else can you do?</p> <p>Get your hands dirty with mud, paint, shaving foam, anything! Then wash them so they're nice and clean!</p>
