## Hello

Hello St Crispin's Secondary

Summer is really here and we hope you have all been enjoying the sunshine  
Stay safe Kerrie, Sophia, Gary and Tracey

## Numeracy

Can you use 'junk' from your recycling box or other materials that you have at home to make a boat that will float on water?

If you can get it to float try it with a toy travelling in it too.

What objects work best? Which are too heavy? Which ones let in water?

## St Crispin's Secondary – Home Learning Week beginning Monday 8<sup>st</sup> June 2020

## Art

When out on a walk can you collect different leaves or flowers to make a collage ?

## Challenge

Help to do the hoovering or sweep the floor.

## Expressive Arts

Make a mobile out of things you can find outside using sticks and thread / string.

## Health and Wellbeing

Make smoothie ice lollies using your favourite fruits. Blend them to make a smoothie and you can freeze some into ice lolly moulds for a healthy ice lolly to enjoy in the sunshine.
